- *Our Head of Centre will ensure a robust internal quality assurance process has been produced and signed-off in advance of results being submitted.*

Senior Leadership Team and Heads of Department

Our Senior Leadership Team and Heads of Departments will:

- *ensure that a Head of Department Checklist is completed for each qualification that they are submitting.*

Teachers/ Specialist Teachers / SENCo

Our teachers, specialist teachers and SENCo will:

- *ensure they conduct assessments under our centre's appropriate levels of control and have sufficient evidence, in line with this Centre Policy and guidance from the Joint Council for Qualifications, to provide teacher assessed grades for each student they have entered for a qualification.*
- *ensure that the teacher assessed grade they assign to each student is a fair, valid and reliable reflection of the assessed evidence available for each student.*
- *make judgements based on what each student has been taught and what they have been assessed on, as outlined in the section on grading in the main JCQ guidance.*
- *produce an Assessment Record for each subject cohort, that includes the nature of the assessment evidence being used, the level of control for assessments considered, and any other evidence that explains the determination of the final teacher assessed grades. Any necessary variations for individual students will also be recorded.*
- *securely store and be able to retrieve sufficient evidence to justify their decisions.*

Examinations Officer

Our Examinations Officer will:

- *be responsible for the administration of our final teacher assessed grades and for managing the post-results services.*

Training

This section provides details of the approach our centre will take to *training, support and guidance in determining teacher assessed grades this year*

- *Teachers involved in determining grades in our centre will attend any centre-based training to help achieve consistency and fairness to all students.*
- *Teachers will engage fully with all training and support that has been provided by the Joint Council for Qualifications and the awarding organisations.*

Support for Newly Qualified Teachers and teachers less familiar with assessment

This section provides details of our approach to *training, support and guidance for newly qualified teachers and teachers less familiar with assessment*

- *We will provide mentoring from experienced teachers to NQTs and teachers less familiar with assessment.*
- *We will put in place additional internal reviews of teacher assessed grades for NQTs and other teachers as appropriate.*

Use of appropriate evidence

This section gives details in relation to our use of evidence.

- *Teachers making judgements will have regard to the Ofqual Head of Centre guidance on recommended evidence, and further guidance provided by awarding organisations.*
- *All candidate evidence used to determine teacher assessed grades, and associated documentation, will be retained and made available for the purposes of external quality assurance and appeals.*
- *We will be using student work produced in response to assessment materials provided by our awarding organisation(s), including groups of questions, past papers or similar materials such as practice or sample papers.*
- *We will use non-exam assessment work (often referred to as coursework), even if this has not been fully completed.*
- *We will use student work produced in centre-devised tasks that reflect the specification, that follow the same format as awarding organisation materials, and have been marked in a way that reflects awarding organisation mark schemes.*
- *We will use substantial class or homework (including work that took place during remote learning).*
- *We will use internal tests taken by pupils.*
- *We will use mock exams taken over the course of study.*
- *We will use records of a student's capability and performance over the course of study in performance-based subjects such as music, drama and PE.*

We provide further detail in the following areas:

Additional Assessment Materials

- *We will use additional assessment materials to give students the opportunity to show what they know, understand or can do in an area of content that has been taught but not yet assessed.*
- *We will use additional assessment materials to give students an opportunity to show improvement, for example, to validate or replace an existing piece of evidence.*
- *We will use additional assessment materials to support consistency of judgement between teachers or classes by giving everyone the same task to complete.*
- *We will combine and/or remove elements of questions where, for example, a multi-part question includes a part which focuses on an element of the specification that hasn't been taught.*

Our centre will ensure the appropriateness of evidence and balance of evidence in arriving at grades in the following ways:

- *We will consider the level of control under which an assessment was completed, for example, whether the evidence was produced under high control and under supervision or at home.*
- *We will ensure that we are able to authenticate the work as the student's own, especially where that work was not completed within the school or college.*
- *We will consider the limitations of assessing a student's performance when using assessments that have been completed more than once, or drafted and redrafted, where this is not a skill being assessed.*
- *We will consider the specification and assessment objective coverage of the assessment.*
- *We will consider the depth and breadth of knowledge, understanding and skills assessed, especially higher order skills within individual assessments.*

Awarding teacher assessed grades based on evidence

We give details here of our centre's approach to awarding teacher assessed grades.

- *Our teachers will determine grades based on evidence which is commensurate with the standard at which a student is performing, i.e. their demonstrated knowledge, understanding and skills across the content of the course they have been taught.*
- *Our teachers will record how the evidence was used to arrive at a fair and objective grade, which is free from bias.*
- *Our teachers will produce an Assessment Record for each subject cohort and will share this with their Head of Department. Any necessary variations for individual students will also be shared.*

Internal quality assurance

This section gives details of our approach to internal standardisation, within and across subject departments.

- *We will ensure that all teachers involved in deriving teacher assessed grades read and understand this Centre Policy document.*
- *In subjects where there is more than one teacher and/or class in the department, we will ensure that our centre carries out an internal standardisation process.*
- *We will ensure that all teachers are provided with training and support to ensure they take a consistent approach to:*
 - *Arriving at teacher assessed grades*
 - *Marking of evidence*

- *Reaching a holistic grading decision*
- *Applying the use of grading support and documentation*
- *We will conduct internal standardisation across all grades.*
- *We will ensure that the Assessment Record will form the basis of internal standardisation and discussions across teachers to agree the awarding of teacher assessed grades.*
- *Where necessary, we will review and reflect on individual grading decisions to ensure alignment with the standards as outlined by our awarding organisation(s).*
- *Where appropriate, we will amend individual grade decisions to ensure alignment with the standards as outlined by our awarding organisation(s).*
- *Where there is only one teacher involved in marking assessments and determining grades, then the output of this activity will be reviewed by an appropriate member of staff within the centre.*
 - *This will be the Teachers' Line Manager or a member of SLT.*
- *In respect of equality legislation, we will consider the range of evidence for students of different protected characteristics that are included in our internal standardisation.*

Comparison of teacher assessed grades to results for previous cohorts

This section gives details of our internal process to ensure a comparison of teacher assessed grades at qualification level to results for previous cohorts in our centre taking the same qualification.

- *We will compile information on the grades awarded to our students in past June series in which exams took place (e.g. 2017 - 2019).*
- *We will consider the size of our cohort from year to year.*
- *We will consider the stability of our centre's overall grade outcomes from year to year.*
- *We will consider both subject and centre level variation in our outcomes during the internal quality assurance process.*
- *We will prepare a succinct narrative on the outcomes of the review against historic data which, in the event of significant divergence from the qualifications-levels profiles attained in previous examined years, which address the reasons for this divergence. This commentary will be available for subsequent review during the QA process.*

This section gives details of the approach our centre will follow if our initial teacher assessed grades for a qualification are viewed as overly lenient or harsh compared to results in previous years.

- *We will compile historical data giving appropriate regard to potential mixtures of A*-G and 9-1 grades in GCSEs. Where required, we will use the Ofqual guidance to convert legacy grades into the new 9 to 1 scale.*
- *We will bring together other data sources that will help to quality assure the grades we intend to award in 2021.*

This section gives details of changes in our cohorts that need to be reflected in our comparisons.

- *We will omit subjects that we no longer offer from the historical data.*

Access Arrangements and Special Considerations

This section gives details of our approach to access arrangements and mitigating circumstances (special consideration).

- *Where students have agreed access arrangements or reasonable adjustments (for example a reader or scribe) we will make every effort to ensure that these arrangements are in place when assessments are being taken.*
- *Where an assessment has taken place without an agreed reasonable adjustment or access arrangement, we will remove that assessment from the basket of evidence and alternative evidence obtained.*
- *Where illness or other personal circumstances might have affected performance in assessments used in determining a student's standard of performance, we will take account of this when making judgements.*
- *We will record, as part of the Assessment Record, how we have incorporated any necessary variations to take account of the impact of illness or personal circumstances on the performance of individual students in assessments.*
- *To ensure consistency in the application of Special Consideration, we will ensure all teachers have read and understood the document: [JCO – A guide to the special consideration process, with effect from 1 September 2020](#)*

Addressing disruption/differential lost learning (DLL)

This section gives details of our approach to address disruption or differentiated lost teaching.

- *Teacher assessed grades will be determined based on evidence of the content that has been taught and assessed for each student.*

Objectivity

This section gives a summary of the arrangements in place within our centre in relation to objectivity.

Staff will fulfil their duties and responsibilities in relation to relevant equality and disability legislation.

Senior Leaders, Heads of Department and Centre will consider:

- *sources of unfairness and bias (situations/contexts, difficulty, presentation and format, language, conditions for assessment, marker preconceptions);*
- *how to minimise bias in questions and marking and hidden forms of bias; and*
- *bias in teacher assessed grades.*

To ensure objectivity, all staff involved in determining teacher assessed grades will be made aware that:

- *unconscious bias can skew judgements;*
- *the evidence presented should be valued for its own merit as an indication of performance and attainment;*
- *teacher assessed grades should not be influenced by candidates' positive or challenging personal circumstances, character, behaviour, appearance, socio-economic background, or protected characteristics;*
- *unconscious bias is more likely to occur when quick opinions are formed; and*

Our internal standardisation process will help to ensure that there are different perspectives to the quality assurance process.

Recording decisions and retention of evidence and data

This section outlines our approach to recording decisions and retaining evidence and data.

- *We will ensure that teachers and Heads of Departments maintain records that show how the teacher assessed grades process operated, including the rationale for decisions in relation to individual marks/grades.*
- *We will ensure that evidence is maintained across a variety of tasks to develop a holistic view of each student's demonstrated knowledge, understanding and skills in the areas of content taught.*
- *We will put in place recording requirements for the various stages of the process to ensure the accurate and secure retention of the evidence used to make decisions.*
- *We will comply with our obligations regarding data protection legislation.*
- *We will ensure that the grades accurately reflect the evidence submitted.*
- *We will ensure that evidence is retained electronically or on paper in a secure centre-based system that can be readily shared with our awarding organisation(s).*

Authenticating evidence

This section of our Centre Policy details the mechanisms in place to ensure that teachers are confident in the authenticity of evidence, and the process for dealing with cases where evidence is not thought to be authentic.

- *Robust mechanisms, which will include using high control assessments and work to compare to any other work being used, will be in place to ensure that teachers are confident that work used as evidence is the students' own and that no inappropriate levels of support have been given to students to complete it, either within the centre or with external tutors.*
- *It is understood that awarding organisations will investigate instances where it appears evidence is not authentic. We will follow all guidance provided by awarding organisations to support these determinations of authenticity.*

Confidentiality, malpractice and conflicts of interest

A. Confidentiality

This section details the measures in place in our centre to maintain the confidentiality of grades, while sharing information regarding the range of evidence on which the grades will be based.

C. Conflicts of Interest

This section details our approach to addressing conflicts of interest, and how we will respond to such allegations.

- *Our Head of Centre will take appropriate action to manage any conflicts of interest arising with centre staff in accordance with the JCQ documents - [General Regulations for Approved Centres, 1 September 2020 to 31 August 2021](#).*
- *We will also carefully consider the need if to separate duties and personnel to ensure fairness in later process reviews and appeals.*

Private candidates

This section details our approach to providing and quality assuring grades to Private Candidates.

- *Our arrangements for assessing Private Candidates to arrive at appropriate grades are identical to the approaches utilised for internal candidates.*
- *Where it has been necessary to utilise different approaches, the **JCQ Guidance on Private Candidates** has been followed and any divergences from our approach for internal candidates have been recorded on the appropriate class/student documentation.*
- *In undertaking the review of cohort grades in conjunction with our centre results profiles from previous examined years, the grades determined by our centre for Private Candidates have been excluded from our analysis.*

Information for Students

Summer 2021 Results, Appeals and Certificates

Teacher Assessed Grades

The Saint John Henry Newman Catholic School (JHN) has determined grades in accordance with the JCQ guidance¹ and has submitted these grades to the relevant awarding organisation by the required deadline.

To support your understanding, please refer to Ofqual's [Student guide to awarding: summer 2021](#)² which tells you how you will get your qualifications in summer 2021 and where you can get more information.

Results

On student statements of results (results slips) and certificates, grades will be reported in the same way as in previous years.

Results will be issued on results days in August as follows:

Date	Qualification type
Tuesday 10 th August 2021	GCE (AS, A Levels) and other Level 3 qualifications
Thursday 12 th August 2021	GCSE and other Level 1/2 qualifications

Arrangements for results days

On results days the school will be open for students to collect their results in person or for a representative to collect results on their behalf. To keep numbers to a minimum we ask that students or their representatives are not accompanied by other family members or friends when entering the school site. Representative collecting results will need signed written permission from the candidate they are collecting results on behalf of.

Results can be collected **between 8.30am and 10.30am on Tuesday 10th August** (A Level/AS/Level 3 results) and **between 9am and 11am on Thursday 12th August** (GCSE/Level 2 results). Results will also be available via Go4Schools parent logins from 8.30am on 10th August and from 9am on 12th August.

If you wish to discuss your results centre staff will be available on site during the dates and times mentioned above or you can email grades2021@jhn.herts.sch.uk and a member of staff will contact you. Please do not phone the school as the school switchboard will be closed.

Certificates

We will inform you when certificates have been received from the awarding organisations and are ready for collection. It is expected this will be at some point in November. School leavers will be given the option to have certificates sent by a tracked postal service for a fee of £3 as an alternative to collection in person.

Arrangements for appeals

Section 5.4 of JCQ Appeals Guidance Summer 2021 (A guide to appeals processes – Summer 2021) states:

To decide whether to request a review, students will need access to certain information before results day, or on results day, if it has not already been made available to them. This must include:

- a. the centre policy
- b. the sources of evidence used to determine the student's grade, along with the marks/grades associated with them
- c. details of any variations in evidence used based on disruption to what that student was taught
- d. details of any special circumstances that have been considered in determining their grade, e.g. access arrangements/reasonable adjustments or mitigating circumstances such as illness

There are two stages to the appeals process:

- Stage 1 - centre review
- Stage 2 - appeal to the awarding organisation

JHN will support students through the centre review and awarding organisation appeals process.

The information below describes the arrangements in place at JHN for conducting a centre review and (where applicable) submitting an appeal to the awarding organisation following a centre review.

Stage 1 – Centre review

- If a student thinks they have been issued with an incorrect grade, they can submit a request to check if an administrative or procedural error has occurred by completing the interactive *JCQ Student Request Form for Centre Reviews and Appeals*.
- The student should read the important information on the form and fully complete section A *Student request* of the *Stage one – centre review* including electronic signature and date. The form should be saved and returned as an email attachment to grades2021@jhn.herts.sch.uk
- The outcome of the centre review may result in the student's grade remaining the **same**, being **lowered** or **raised**
- On completion of the review the reviewer will complete section B, *Centre review outcome*, of the form and share with the student as a record of the outcome.
- JHN will complete all reviews as soon as possible but the timeline will be dependent on the number of requests and available staff. We will endeavour to share the outcome in sufficient time prior to the relevant appeal to awarding organisation deadlines
- If an administrative or procedural error is found, the Exams Officer will submit a request to the awarding organisation to correct the error and amend the grade without the need to submit an appeal to the awarding organisation

Stage 2 – Appeal to the awarding organisation

- An appeal to the awarding organisation can only be submitted if the first stage, centre review, has been completed and the outcome of the first stage has been issued to the student
- The awarding organisation will not be able to consider an appeal that is based solely on differences of opinion - if the student wants to improve their grade they may wish to consider entering for the autumn exam series
- If the student believes there is still an error following the centre review, or if the awarding organisation has made an administrative error, or the student considers that the grade awarded was an unreasonable exercise of academic judgement, they can submit a request to proceed with an appeal to the awarding organisation on their behalf
- To proceed, the student must complete the *Stage two – appeal to awarding organisation* section of the form, including electronic signature and date. The form should be saved and returned as an email attachment to grades2021@jhn.herts.sch.uk
- JHN will then submit the appeal on the student's behalf according to the requirements of the awarding organisation to which it is being submitted
- The awarding organisation will determine the grade at appeal and the outcome will be final
- The outcome of the appeal may result in the grade remaining the **same**, being **lowered** or **raised**
- There is no further opportunity to appeal the outcome to the awarding organisation
- The awarding organisation's appeal outcome letter will be provided by email to the student by as soon as reasonably practical after the outcome letter from the awarding organisation is received in the centre
- Should the student still remain concerned their grade was incorrect, they may be able to apply for a procedural review
- The appeal outcome letter will include the next appropriate steps, where applicable, to apply for a procedural review to the Exam Procedures Review Service (EPRS)

Note - Once a finding has been made **you cannot withdraw your request for a centre review or appeal**. If your grade has been lowered, you will not be able to revert back to the original grade you received on results day. For more information please refer to the Department for Education's blog <https://dfemedia.blog.gov.uk/2021/06/09/exam-appeals-what-can-i-do-if-i-think-my-grade-is-wrong-how-do-i-appeal-what-will-happen-if-i-appeal-your-questions-answered/>

Deadlines to submit a request

Priority appeal³

16 August 2021 – deadline to request a Stage 1 - centre review

³ A priority appeal is **only for** students applying to higher education who did not attain their firm choice (i.e. the offer they accepted as their first choice) and wish to appeal an A level or other Level 3 qualification result. You should inform your intended higher education provider that you have requested a centre review or appeal. You will need to provide in the request form(s) your UCAS personal ID code which is included in all correspondence from UCAS. This is needed to confirm that a student's place is dependent on the outcome of the appeal. Priority appeals that aren't submitted to the awarding organisation by 23 August 2021 will still be treated as a priority but they may not be completed in time for those with a higher education place dependent on the outcome of the appeal.

23 August 2021 – deadline to request a Stage 2 – appeal to awarding organisation

Non-priority appeal

3 September 2021 - deadline to request a Stage 1 - centre review

17 September 2021– deadline to request a Stage 2 – appeal to awarding organisation
